

Murphy's Law

Murphy was an optimist

Anything that can go wrong will go wrong at the worst possible moment

You will always find something in the last place you look.

The chance of a piece of bread falling with the buttered side down is directly proportional to the cost of the carpet.

No matter how long or hard you shop for an item, after you've bought it, it will be on sale somewhere cheaper.

Anything you try to fix will take longer and cost more than you thought.

The other line always moves faster.

If you fool around with a thing for very long you will screw it up.

If you're feeling good, don't worry, you'll get over it.

If it jams, force it. If it breaks, it needed replacing anyway.

Any tool dropped while repairing a car will roll underneath to the exact center.

A repairman will never have seen a model quite like yours before.

The job expands to fill time available.

Never sleep with anyone crazier than yourself

Everybody should believe in something- I believe I'll have another drink.

Build a system that even a fool can use, and only a fool will use it.

In any hierarchy, each individual rises to his own level of incompetence, and then remains there.

A bird in hand is safer than one overhead.

When in doubt, mumble. When in trouble, delegate.

You will remember that you forgot to take out the trash when the rubbish truck is two doors away.

Never argue with a fool, people might not know the difference.

There's never time to do it right, but there's always time to do it over.

Anything good in life is either illegal, immoral or fattening.

Murphy's golden rule: Whoever has the gold makes the rules.

Don't mess with Mrs. Murphy.

A \$600. = picture tube will protect a 10 ct fuse by blowing first.

The light at the end of the tunnel is the headlamp of an oncoming train.

A pipe gives a wise man time to think and a fool something to stick in his mouth.

Beauty is only skin deep, ugly goes to the bone.

If you try to please everybody, nobody will like it.

When a broken appliance is demonstrated for the repairman, it will work perfectly.

If everything seems to be going well, You obviously don't know what the hell is going on.

If more than one person is responsible for a miscalculation, no one will be at fault.

In case of doubt, make it sound convincing.
